## HVAC FACTS DID YOU KNOW?

- 1

According to studies conducted by the Louisiana Co-operative Extension Service and Gulf States Utility Company, you can save up to \$30 per month on your utility bill, simply by making sure your air conditioning system is cleaned and serviced regularly for optimal performance.
- 2

Nine out of ten HVAC system failures are caused by dirt and dust.
- 3

Clean systems restore capacity and lessen running time. Translation: Savings on monthly heating and cooling bills.
- 4

50% of all illnesses are either caused or aggravated by polluted air.
- 5

A build up of .042 inches of dirt on a heating and cooling coil can result in a decrease in efficiency 21%.
